HOLIDAY NEWSLETTER 2010

BUSINESS NEWS

- At EFS, the safety of our drivers and your cargo is of the utmost importance. As we enter into the winter season, changing road conditions can have an impact on the movement of freight. Our operations department monitors your shipments closely and will notify you of any weather-related issues that affect the transportation of your freight.
- With falling temperatures, now is the time to start thinking about your products that need protection from freezing. Please communicate your requirements to your sales person so that we can properly accommodate your needs.
- With the holiday season upon us, please be sure to communicate your company's holiday schedule to your sales person.

EFS'S SALVATION ARMY COAT DRIVE WINNER

We would like to thank everyone who participated in our first annual coat collection. The recipient of this year's award is Gerree Kolar from Glasteel in Eagan. This event was a huge success! We greatly appreciate our customers' generosity and look forward to your continued support next year.

GIVING

This is the 5th year EFS is sponsoring a family in need this holiday season. Please remember those who are less fortunate and consider donating to your local food shelves or Toys for Tots. For any suggestions for places to give, please contact your EFS sales representative.

A SINCERE THANK YOU....

We so are so thankful for all of our faithful customers who have been with us for many years and for our newer customers who have chosen us to be their transportation provider. We wish you and your family a joyous and festive holiday season!
