December 2018

'Tis the season for giving thanks

We at EFS would like to extend our deepest gratitude to our loyal customers, our dedicated carriers and everyone involved in making 2018 a success.

You inspire us to continue working toward our goal of offering consistent, reliable, predictable service that you all can count on in these not so predictable times.

We at EFS wish you a happy and healthy holiday season and a successful and prosperous 2019!

Plan ahead

Have you ever said to yourself "How do the holidays always seem to sneak up on me?" Well, you're not alone. The dates are always the same, right? This year, let's work together to make sure your freight doesn't get left off Santa's sleigh, leaving your customers without their presents to open.

Remember, drivers want to be home for Christmas just like the rest of us. We advise that you call in your shipments with as much advance notice as possible so we can help you meet those delivery deadlines.

Please help us plan ahead so EFS can help reduce your holiday stress!

Seasonal Recipes

Here is a savory, seasonal appetizer or main dish and a minty drink to share with friends and family. Great for the holidays! Click the pic for the recipe.

*Have a safe holiday season and a Merry Christmas from all of us at EFS.
Sincerely,*

Bill Stanton and the EFS team
